

## Job Posting – August

### Associate Pastor of Youth and Outreach

Trulls Road Church is a Free Methodist Congregation in an expanding community, east of Toronto. We have enjoyed growth and health in both the season leading up to the pandemic and during the pandemic itself. We are currently re-imagining what it means to love and serve our community and world through strategic partnerships and investment of time and money. We are looking for someone to give leadership to a team that can facilitate this conversation and provide direction in living it out as a church family. As well, this individual will provide leadership for our youth ministry, working with existing leaders while recruiting and equipping new leaders to provide discipleship and outreach opportunities for youth in our church and community.

The candidate we are looking for is a proven leader, educated in related fields, passionate about missional ministry (local and overseas) and experienced working with youth. We are seeking a team player, someone who is disciplined, motivated and flexible, an encourager with an obvious love for Jesus and people. We can provide a supportive church family, strong ministry leaders, excellent facility, a dynamic work environment and competitive compensation package.

Please send applications to: [personnel@trullroadchurch.com](mailto:personnel@trullroadchurch.com).
